Details

Description

Kärcher's CV 38/2 upright vacuum cleaner is a lightweight, twin-engined machine with 380 mm working width which combines high suction power with a direct motor driven brush. Stubborn dirt particles, threads and hairs are dislodged from the carpet with ease whilst freshening up the carpet pile at the same time. Equipped with a wide, low profile brush head, the 38/2 cleans right up to edges and can operate completely flat for cleaning under furniture and beds.

Features & Benefits

- Ergonomically designed height adjustable handle.
 - Soft or hard brush strips can be changed without tools.
 - Lay-flat facility for cleaning under objects like beds and furniture.
 - Adjustable brush height to suit all types of flooring.
 - Optimum filtration due to triple filtration system (paper filter bag, motor protection filter & exhaust filter).
 - Detachable suction tube for various cleaning applications.
 - Optimum brush-height indicator.
 - Auto switch-off in case of brush jam.
