

CV 66/2 Professional

The wide area brush-type vacuum cleaner CV 66/2 is particularly suitable for the thorough and economical maintenance cleaning of medium-sized carpet surfaces. Due to its dual counter rotating brush rolling system, swimming stored brush head and the height adjustable handle the unit is extremely convenient and ergonomical.

Standard accessories:

- Filter bag Paper
- Filter condition indicator
- Height-adjustable handle
- Safety class II
- Roller brush 2 piece

Details

Description

The individually adjustable handle allows to push the CV 66/2 easily with one hand. In addition the unit can be stowed away and transported space-saving because of the hinged handle.

The 20 m long mains cable can be stored at the integrated power cable hook.

A comfortable access to the filter system is made possible by the large filter cover which can be opened widely. A paper filter change is thus simply and comfortably possible.

The two roller brushes can be taken off easily.
