Details

Description

The manoeuvrable alternative to any large walk-behind machine!

The B 90 R Classic Bp Pack ride-on scrubber dryer features the new brush head generation.

Roller and disc brush heads can be used in different working widths (55-75 cm).

The brushes are driven by a star-wheel mechanism.

With a turning circle of only 1.6 m, this machine is very flexible and offers excellent manoeuvrability.

This machine also features an extended tank capacity and is easy to fill with fresh water.

Compact for easy storage and transport, for example in lifts.

Openings in the battery compartment ensure adequate ventilation also during long periods of use.

An additional flat pleated filter protects the turbine against corrosion.

Accessories

Batterien

Battery set, 24V/180Ah, maintenance-free

Battery pack includes four 6 V batteries and connecting cables

Order number 6.654-130.0

Battery

Wet cell traction battery for Kärcher sweepers. Maintenance-free gel battery.

Order number 6.654-124.0

Brush heads
