### BD 40/25 C Bp Pack

#### Description

The scrubber drier BD 40/25 C for small and blocked floors is equipped with the single knob operation EASY and very easy to maintain. It is very short and has an extremely small turning cycle. So it is exceptionally agile. It has a working scrubbing width of 400 mm. The BD 40/25 C is very quiet, simply to clean and the handle bar can be folded for easy transport. The straight squeegee is equipped with double sided rubber blades.

#### Application

It is suitable for basic cleaning, maintenance cleaning and polishing hard floors. It has a performance of 1600 m<sup>2</sup> and can be used economically for areas of 200 up to 800 m<sup>2</sup>. It cleans smooth or structured surfaces properly. On marble and terrazzo it is possible to crystallize. On parquet, water must be vacuumed immediately (no two-step method). Linoleum can be treated like PVC. For heavy soilings, for polishing or crystallizing there are special accessories available.

#### Features & Benefits

Battery driven

Flexible without power cord.

Brush head with transport wheel

Easy to use and easy transport.

One-button operation - EASY

User friendly and easy to maintain.

Straight squeegee available

Optimized suction effect for all floor conditions possible. Please order separately.

Compact size

Due to the compact size of the machine it is also possible to clean small blocked areas easily.

Tank capacity

25 litre fresh water and 25 litre waste water.

Two plastic parts for the chassis

Only few parts. Integrated a two chambers tank system. Break- and sound-proofed, easy to refill.

Fresh water indication

The transparent and flexible tubing is easily accessible and indicates the fresh water during cleaning.
