Scrubber driers compact

BR 40/25 C Bp Pack

Description

The scrubber drier BR 40/25 C for small and blocked floors is equipped with the single knob operation EASY and very easy to maintain. It is very short and has an extremely small turning cycle. So it is exceptionally agile. It has a working scrubbing width of 400 mm. The BR 40/25 C is very quiet, simply to clean and the handle bar can be folded for easy transport. The straight squeegee is equipped with double sided rubber blades.

Application

It is suitable for basic cleaning, maintenance cleaning and polishing hard floors. It has a performance of 1600 m² and can be used economically for areas of 200 up to 800 m². It cleans smooth or structured surfaces properly. On marble and terrazzo it is possible to crystallize. On parquet, water must be vacuumed immediately (no two-step method). Linoleum can be treated like PVC.

For heavy soiling, for polishing or crystallizing there are special accessories available.

Features & Benefits

Battery driven

Flexible without power cord.

Brush change

Easy to maintain. Changing of brushes within seconds.

Brush head with transport wheel

Easy to use and easy transport.

One-button operation - EASY

User friendly and easy to maintain.
