Working height mm	330
Motor rating W	Max. 1000
Motor rating, additional W	800
Brush rotation speed rpm	150
Sound pressure level dB(A)	65
Frequency Hz	50
Voltage V	220-240
Weight kg	41

Single-disc machines

BDS 43/150 C

Description

This powerful single disc machine includes nearly all cleaning tasks in the professional contract cleaning. The operator's elements are arranged ergonomically at the handle. The slope can be adjusted optimally on the user's size by the hinge.

The two big wheels relieve the transport of the machine also up and down stairs and on uneven floors. The machine housing has a maximal corrosion protection also in severe application.

Application

Single disc machines for stripping of PVC and linoleum floors, for deep cleaning of tiles and marble, for buffing of coatings, for crystallising of calcareous floors like e.g. marble, for shampooing of carpets and for carpet intermediate cleaning with micro fibre pads. Also wooden floors can be grinded with special accessories.

Features & Benefits

Abrasion-proof bumper.

Saving of furniture and walls against damages.

Cable storage at the machine and devices for the mounting of the RM-tanks.

Facilitates the mounting of accessories as well as the storage of the machine.

Easy change of brushes.

Low wear connection system (metal/metal) allows a long life-time.

Robust planetary gear.

Optimal turning moment with high capability.

The central placed drive provides an even contact pressure and a smooth running of the machine.

The operating of the machine is facilitated by an easy handling.

Crystallisation pad

Crystallising pad 432 mm, bronze

for basic crystallisation

Order no. 6.905-386.0

Single-disc machines

BDS 43/150 C

Crystallisation pad 432 mm, silver

for high sheen crystallisation
Order no. 6.369-911.0

Disc brushes for single-disc machines

Disc brush, hard

Disc brush, hard, GRIT
Order no. 6.369-898.0

Shampooing brush

Shampooing brush
