Details

Description

The BRC 50/70 W Bp Pack is the optimal machine for medium to big-sized carpet areas. Due to its traction drive the machine can be used effectively for a fast interim as well as deep cleaning in bigger objects. Two separate detergent tanks enable an automatic detergent metering in the I-Capsol as well as spray-ex mode.

Application

The BRC 50/70 W Bp Pack is especially suitable for contract cleaners, cleaning in hotels and sales rooms as well as congress centres, casinos and for public principles. Mainly to be used for bigger objects with carpet areas up to 2000 m².

Features & Benefits

I-capsol Interim cleaning:

Only 20 minutes after cleaning the carpet it is dry and re-accessible again.

I-capsol interim-cleaning extends the time of resoiling.

Easy control concept:

Clearly arranged operational controls and easy learnable functionalities.

Very manoeuvrable:

Due to low profile and compact design cleaning smaller areas is no problem as well.

DOSE-system with two detergent tanks:

For comfortable use an easy switch between cleaning modes is possible.

Economical use of detergent.

73 l water tank volume:

For long working hours without interruption for refilling.

Big waste water tank opening with transparent lid:

Easy to clean and steady control over suction power.

Dirt water tank with float contractor:

For longer turbine life-time.

Two 50 cm, contra-rotating brushes:

Distributes the detergent into the carpet fiber and ensures fiber-deep cleaning.

In the front adapted floating brush system:

For constant ground contact, also on uneven surfaces. Effective cleaning of edges without any manual adaption by the machine operator.

Carpet cleaners

BRC 50/70 W Bp Pack

Automatic brush and water stop when releasing the control lever:

For surface protection.

Battery powered:

Flexible, cable-free and therefore much more economical cleaning.

Fast brush change without tools.

Optional accessory:

Hand- and floor tool for spot cleaning use.
