Tank fresh/dirt water l	10-9
Power rating fan W	1250
Power rating, pump W	40

Spray-extraction cleaners

Puzzi 100 Super

Description

Fresh water tank with filter element allows long periods of operation and protects the pump from soiling. Robust, compact housing made of durable plastics makes the unit lightweight and easy to carry. Two large wheels and two castors for excellent manoeuvrability. Pushbuttons for spraying and vacuuming modes conveniently are positioned on top of the unit. Easily removed transparent suction dome enables recovery performance to be checked at a glance. Service-friendly, rubber-mounted pump and fan module. 9-litre dirt water tank, simply lifts out.

Application

For medium-sized areas in commercial and private applications.

Features & Benefits

9-litre dirt water tank

Removable, easy to carry and to empty

Accessory holder on the grip (floor nozzle resp. hand nozzle)
