Details

Description

The NT 70-family of machines consists of large, powerful wet/dry vacuum cleaners with up to three motors. A complete line of models that shine especially when it comes to wet applications and vacuuming coarse dirt. Strong suction power as well as tried and tested Kärcher quality at a low price.

Features & Benefits

With the NT 70-series you can choose between one, two or three motors. All of them can be switched on or off on the front depending on the job.

The accessory holder is integrated into the large bumper. All of the accessories are included in the package.
